:

This is in response to the petition under 37 CFR 1.47, filed January 11, 2002, which is being treated as a petition under 37 CFR 1.47(a).

The petition under 37 CFR 1.47(a) is **GRANTED**.

The above-identified application was filed on May 23, 2001. On October 1, 2001, applicant was mailed a "Notice to File Missing Parts of Nonprovisional Application - Filing Date Granted," requiring an executed oath or declaration (and a surcharge for its late filing). This Notice set a two-month period for reply.

In reply, applicant filed the instant petition, and paid the surcharge for late filing of the declaration. To make timely this reply, applicant included a Certificate of Mailing dated November 16, 2001.

A grantable petition under 37 CFR 1.47(a) requires: (1) proof that the non-signing inventor cannot be reached after diligent effort or refuses to sign the oath or declaration after having been presented with the application papers (specification, claims, drawings, oath or declaration); (2) an acceptable oath or declaration in compliance with 37 CFR 1.63; (3) the petition fee; and (4) a statement of the last known address of the non-signing inventor.

Accompanying the petition were, *inter alia*,: (1) a declaration executed by co-inventors Jens Horstmann, Matti Katajamaki, Susan Potter, and Miroslav Weisner, with the signature block for co-inventor Saeed Zarea left blank; (2) a "Declaration of T. Lester Wallace", setting forth Zarea's oral refusal to sign the declaration, made to Wallace on October 1, 2001; and (3) a "Declaration of Jens Horstmann", co-inventor and president of assignee OpenGrid, Inc., attesting that OpenGrid sent a copy of

the application papers to Zarea.

The declaration filed January 11, 2002 and the petition have been reviewed and found to be in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in 37 CFR 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

The application file is being returned to the Office of Initial Patent Examination for continuation of pre-examination processing.

Telephone inquiries regarding this decision should be directed to Petitions Attorney Cliff Congo at (703) 305-0272.
